Work & Witness
Youth in Missions

VBS Special Mission Offerings

NMI Special Offerings

A point-to-point cash gift may be considered ten percent giving when channeled directly to an approved ministry by US/Canada NCM Center, USA/Canada NewStart or Ten Percent Committee.

NON-TEN PERCENT MISSION SPECIALS

Examples of non-Ten Percent Mission Specials are:

Birthdays (Except LINKS missionaries); Duty on packages mailed to missionaries;
Personal gifts or love offerings for the personal use of a missionary are non-ten percent specials

HOW DOES TEN PERCENT GIVING WORK?

Formula: To be a 10% church, the total amount given to WEF and other Approved Mission Specials must be equal to or greater than 10% of the total paid for all purposes. Base equals total paid for all purposes less the amount paid toward WEF and Approved Mission Specials.

Example: Total paid for all purposes = \$100,000 (**W**)
WEF and other Approved Mission Specials = \$15,000 (**X**)
Subtract (**X**) \$15,000 from (**W**) \$100,000 (This is the Net Base) = \$85,000 (**Y**)
10% of "Net Base Figure" (**Y**) = \$8,500 (**Z**)
You are a Ten Percent church if (**X**) is equal to or greater than the new base figure (**Z**).
The church gave \$15,000, which is **greater than** \$8,500, so this **IS** a 10% church.

Example: Total paid for all purposes = \$100,000 (**W**)
WEF and other Approved Mission Specials = \$8,500 (**X**)
Subtract (**X**) \$8,500 from (**W**) \$100,000 (This is the New Base) = \$91,500(**Y**)
10% of "Net Base Figure"(**Y**) = \$9,150 (**Z**)
You are a Ten Percent church if (**X**) is equal to or greater than the new base figure (**Z**).
The church gave \$8,500, which is **less than** \$9,150, so this is **NOT** a 10% church.
